

TI4SD 2025

CALL FOR PAPERS

INTERNATIONAL CONFERENCE ON TECHNOLOGICAL INNOVATION FOR SUSTAINABLE DEVELOPMENT

JULY 04-05, 2025 in DANANG, VN

<https://ti4sd.dut.udn.vn>

ABOUT

The University of Danang (UD) – University of Science and Technology (DUT) will organize the international conference "Technology Innovation for Sustainable Development 2025", marking the 50th anniversary of the university's founding. The conference aims to become a prestigious academic forum that brings together researchers, enterprises, and students to exchange knowledge, share experiences, and strengthen research collaborations. This is also an opportunity to enhance technology transfer activities and introduce innovative solutions that contribute to sustainable development in Vietnam and globally.

CONFERENCE TOPICS

- Technological innovation in construction and transportation
- Technological innovation in chemistry and environment
- Technological innovation in mechanical and transportation-mechanical
- Technological innovation in electrical, electronics and IT
